To Promote Competition in the Fiji Markets

Hardware Supplies Market

The Minister for Industry and Trade has formally written to the Commerce Commission to investigate practices relating to pricing in the hardware supplies market.

The Commission has started the investigation to determine anti-competitive behavior by hardware operators. This includes the imports of goods into Fiji, goods manufactured in Fiji, and the wholesale and retail sector for hardware suppliers.

In order to complete the study in the hardware suppliers market, the Commission invites stakeholders and consumers to submit issues and complaints in regards to the hardware market. The Commission also requests for past 6 month invoices and quotations from various stakeholders and consumers who have purchased hardware products.

All information will be kept confidential by the Commission.

Written complaints and issues of concern should be addressed to; The Chairman, Commerce Commission, P.O Box 5031, Raiwaqa, Suva or emailed to sbaba@commcomm.gov.fj before Monday 7th June 2010.
